

**KEEPING
CANADA'S
RAILWAY OPERATORS
IN MOTION**

One Company, Many Offerings

Universal Rail Systems' family of companies ensures that every Canadian sector and company served by rail has access to a seamless suite of services that, together, deliver integrated railway solutions. While we bring an integrated approach to projects, our family of companies has an interdependent, entrepreneurial spirit that drives our commitment to customer satisfaction.

From coast to coast, we work with a team averaging more than 30 years in the railway industry and an unbeatable fleet of modern, well maintained specialized equipment.
